BEN EMLYN-JONES

Ben Emlyn-Jones is a former hospital porter and independent journalist who, over the course of his life, has come to realize that subjects most people laugh at like UFO's, the paranormal and government cover-ups are real. Not only are they real, they are the most important issues affecting the world today. Gaining an understanding of them has become a necessity.

Ben is the author of the books Roswell Rising - a Novel of Disclosure and its two sequels. He writes the HPANWO blog and a column in UFO Truth Magazine.
